

THE GREAT AMERICAN ADVENTURE

SECRETS OF AMERICA

[political history, government and law]

By: Judge Dale, retired

PART I

A LESSON IN FRAUD:

*Due to an historic perversion and expert mind programming labeled as, **Babylonian Slave Driving Techniques**, which has been adopted and employed by the United States Government, few citizens realize that America is not what they perceived it to be:*

'Elephants are gray but not all gray things are elephants!'

This expose' hopes to reveal to you the Great Adventure and some Secrets of America but not all because there are too many, such as: America is not a free or constitutional country. Factually, it isn't even a country! America is a privately owned French corporation and its motive of operation, known as politics; government; courts; laws; currency and commerce are merely the bi-products of several greedy, vivid and intellectual imaginations belonging to the Royal and Elite of Europe and controlled with the aid of their foreign agents and slave drivers who act in America under the protection of the Foreign Sovereign Immunities Act.

The success of this private corporation relies heavily upon the ability of its slave drivers identified as the chiefs of staff, politicians, bankers, judges, priests and lawyers to convince teachers, policemen, soldiers and the general public of its authenticity. Two major problems exist for this private corporation because everything that the corporate Board of Directors [the European Royal, Elite and Sabbatean Jewish Bankers] decide is always recorded somewhere and is accessible with the advent of new technological advances! Even some of those files marked Top Secret are accessible with a little help from your friends. Ironically, the only secrets' being concealed within those files is their treason; rogues history and new technological advances being withheld from public view!

"History is a fable agreed upon."

Napoleon Bonaparte

Would it interest you to know that historically, every documented skirmish, global catastrophe and war that ever occurred on Earth since ancient Babylon has been a well planned and staged event, orchestrated by the Royal and Elite classes of the World with a focus on mind; crowd; population control and the stimulation of commerce?

After all, the European Board of Directors makes their money off of commerce and unfortunately wars and catastrophes generate more income and spending than tranquility and peace! Do they care that people might die? Like all sociopaths, they actually plan on it!

What would be your first reaction, if I were to prove to you that two elected Presidents of the United States were never American citizens and were elected under an alias or assumed name? The first man was a German National; an atheist and former Nazi SS Naval Officer and the former Director of the Nazi Intelligence Agency called: ODESSA. The second man was a South African National and is a Marxist, a racist and anti-Christian. This is a disparaging fact to hear or read about especially since colonial America was founded by Christian people seeking freedom from religious persecution. People who just wanted to be left alone, which made them an easy mark for unscrupulous men!

Would it interest you to know that the first CIA Agency for the United States was completely staffed with former Nazi SS and OSA Officers, with the blessings of President Harry S. Truman and the United States Congress and they placed WWII flying ACE, "Wild Bill Donovan," in a figurehead position as Director, in order to sell the CIA to the American public? Would it shock or even concern you to learn that the Patriot Act is a carbon copy of the Nazi Constitution of the 1940's?

History suggests that the Allies defeated the Nazi War Machine when in fact Churchill and Hitler were close friends and Masonic brothers. Queen Elizabeth called Adolph Hitler, "Uncle" and Adolph's real name was Baron Rothschild and he was a member of the European Royal Family. Didn't you ever wonder why the Queen's Royal Palace was never touched during the Nazi Ariel bombing of England? Two investigative journalists uncovered these facts and when they attempted to expose Churchill and Elizabeth, they were arrested and imprisoned for 33 years without formal charges or a trial.

Shortly after the WWII German surrender, the government of the United States secretly repatriated 155,000 Nazi SS and OSA Officers into the United States in 1945 under, "Operation Paperclip" and the average immigrant to America today is forced to suffer all kinds of hurdles; pitfalls; prejudices and propaganda to finally be accepted under US Immigration Laws! Immigration laws that countermand the basic principles and guarantees of the Declaration of Independence!

How would you feel about President George W. Bush, if you knew that he issued two Executive Orders as President, which 1] made all

American Presidents the official Dictator of America and 2] permits Pharmaceutical Companies to release new drugs and vaccines to the public without performing the usual battery of safety tests? This same Executive Order also releases the FDA [Food and Drug Administration] of any liability for approving such new pharmaceuticals and vaccines for distribution and sale to the general public?

Would it interest you to know that all but four US Presidents and 98% of all of our US Congressmen have been serving as political decoys and official slave drivers for the European Royal and Elite Masters? The cost of campaigning for election to the Office of President or for a seat in Congress has intentionally been made untouchable and exorbitant in cost, except for millionaires! The purpose and intent is to discourage the average American citizen from overstepping his class boundaries in an attempt to secure one of these political posts! There is a huge disparaging class difference in America!

Would you feel just a little bit ignorant to learn that the Republican and Democratic Party is another political fraud and that these political parties are actually the product of one large political conspiracy? All of the candidates chosen for the highest positions in government, are not chosen by party members or the public but are pre-selected by the Royal and Elite and each approved candidate must swear an allegiance too and render a pledge to adhere to the demands of these Corporate Directors and Masters.

Your so-called right to vote in America is actually about slave registration. Every applicant is asked if they are a United States Citizen or other. A US Citizen is defined in all law dictionaries as a corporate entity. Your vote really means nothing during an election because the electronic voting machines are rigged; the manual tabulation process was eliminated via the BUSH v. GORE elections as unreliable and besides the Electoral College actually chooses the candidates regardless of the vote count! This was the real reason behind the creation of the Electoral College! The whole BUSH v. GORE event that occurred in Florida was a well planned and staged event to eliminate the paper ballot cards and manual tabulation.

The use of racist remarks and displays of racism is also planned by the Royal and Elite to divert attention away from their true purpose! Racism is used heavily and well in America to divert the attention of the masses because most of us are very easily distracted! The real truth is that there is no difference between the masses but as a

collective group, the Slave Drivers couldn't control us and so racism is used to, "divide and conquer" the slaves!

The Federal Government's usual motive of operation is to cause a problem; blow it out of proportion in the media and then provide for and adopt a remedy that only they can control! This is never the "Exception" but rather the "Rule" and each time a little more of our humanity and liberty is subtly stolen by government without the public ever taking notice of it! Most people are easily entertained and distracted, which is the same reason why people are so fascinated with Magicians and Hypnotists!

America's judiciary are smaller corporate branches called courts. The judges are actually business administrators called judges and all of America's laws are civil corporate regulations called statutes. People are treated as corporations in these courts and these so-called bastions of justice are all about commerce and fraud! Everyone needs to be on the same page and so precedents become their safety benchmark!

This next question doesn't constitute any proof but think about this: If American judges truly are the "Good Guys," why don't they all wear white robes instead of black? The answer is: Because black is the pagan traditional color for Illuminati Priests, which will make more sense to you as you read on through this expose.

The local police and prosecutors are not in place to, "serve and protect" the American public but to the contrary, they are structured to protect the Slave Drivers and the private United States Corporation, by enforcing its corporate statutes against the corporate enemy, "The American citizen." Most of these police officers haven't a clue about how they have been indoctrinated and manipulated! They are so naïve and well-meaning that they actually believe they are preserving and protecting the public! The politicians, prosecutors, judges, priests and clerks know the truth and many of them increase their personal spoils with every conviction! Yes, the Vatican, judges, prosecutors and clerks make money off of every conviction and lawsuit and their clearing house for all of these private spoils is located in the Texas Federal Reserve, under an account titled: "THE CHRIS FUND!"

If our police officers would simply invest a little energy and time, to research and read something other than PLAYBOY or POPULAR MECHANICS or to hoist a few at the local police pub, they would discover that the amended version of the: "Trading with the Enemy Act of 1933," by President Franklin D. Roosevelt, specifically identifies the

American citizen as the enemy of the Federal Government! The fraud and deception perpetrated by these Slave Drivers works well, as long as they can maintain their deception and manipulation over the masses!

In fact and in reality, the historic civilian government promised by: "The Constitution of the United States of America," never existed nor did it ever have a chance of succeeding, courtesy of President George Washington and the Continental Congress! President George Washington, "the reputed father of our country," cleverly overthrew the organic Constitution of the United States of America, using the Articles of Confederation and then reinstated the privately owned colonial corporation of: "The Virginia Colony."

He then installed a military government, which is concealed in plain site. [e.g.] COMMANDER in CHIEF; Attorney GENERAL; Secretary GENERAL; Auditor GENERAL; Surgeon GENERAL; Postmaster GENERAL, etc. The Constitution was a well written document, which was copied from the Iroquois Federation Government! Many of the safeguards found in the organic Constitution were added by the Founding Fathers to bind the hands of the other Delegates because none of them trusted each other, which proves the old Proverb that:

"There is no honor among thieves!"

I bet you never knew that the American Indians were governed by an Emperor named MOY TOY and enjoyed a Federation Government? We were all falsely taught that the Red Race were just savages! The Iroquois Indians are the architects of the Universal Postal System of the World! And I bet you never knew that the Red Race of America are the only known living descendants of the Continent of Atlantis, which sunk into the Atlantic Ocean around 9600 BC?

The overthrow of the Constitution by President Washington was NO real loss to America because the Constitution had actually been converted into a business plan, designed to benefit the Founding Fathers and not the American people! This information may not correspond with the material that was pounded into our brains during our forced public school education but it is a fact none-the-less!

America factually continued to operate under the privately owned corporation of: "The Virginia Colony," until March 9, 1933, and then that corporation was dissolved by President Franklin D. Roosevelt, upon the passage of: "The Emergency Banking Act," and at which time he instituted a new privately owned corporation called: "The United

States, Inc.," which is registered in France and recorded under the Vatican Corporation of Rome! Now isn't that a perplexing situation? The term: "The United States of America," never got off the ground and is a fictitious name fraudulently used by the Masters and Slave drivers because it conforms to the same educational material that society has been indoctrinated with and because it appeases the ears and minds of the patriotic public but it is all just another corporate prevarication! America was guaranteed a public education but never guaranteed a truthful education and as Shakespeare once wrote:

"and therein lies the rub!"

Factually, the concept or government institution known as: "The United States of America," has not existed since the passage of: "The Declaration of Independence" however the [elite slave drivers] have cleverly convinced the American public that this is all real by: Creating and celebrating National Holidays; by erecting monuments; by adopting a National Anthem and flag; by fictionalizing history; by propagating a false freedom and by forcing this indoctrination upon society through mandatory public education!

According to the Articles of Confederation, the phrase: "We the People" is defined to mean, "We the Delegates," which refers only to the politicians and not the public, which proves again that: "The Constitution of the United States of America," was never intended to protect or serve the American public. There are several early administrative court rulings, which confirm this same conclusion, for those of you who require something more than common sense and my educated opinion or observations.

Everything in America is about CONTRACTS and it is our burden as Americans to make government perform honorably; to be specific and too prohibit them from changing the meaning of common words, which is referred to in their circle of friends as: "legalese!"

The American B.A.R. Association is a 'Foreign Union' and its members are all working in collusion with Israel; the British Empire; the Vatican; the Rothschild and Rockefeller Banking Empires; Congress and the Elite to undermine America. All attorneys are 'Agents of a Foreign Power' who swear allegiance to that Foreign Power [i.e.] The Queen of England.

This is why all lawyers must file a written, 'Notice of Appearance,' in every court case they represent. By that Notice, the lawyer is admitting to the Court that he is a 'Foreign Agent' and he is requesting permission to represent you in that Corporate Court. Your contract with the lawyer

gives him "your sovereign power of attorney" to represent your best interests and he immediately uses it against you by admitting to the Judge that you will accept the jurisdiction and decisions of the corporate court! So much for winning your case or any appeal!

When a prosecutor loses a trial, he is obligated by the court to pay the costs of prosecution, out of pocket! Your attorney always divulges your defense strategy to the prosecutor to avert this embarrassment and penalty from being assigned to him. This group is a brotherhood and these corporate courts are a business and everything is about commerce! People are regarded as nothing more than corporate property!

The American B.A.R. Association is actually a branch of the, National Lawyers Guild Communist Party, which can only be located in the hard copy printing of 28 USC 3002, section 15a. The on-line version of Title 28 USC has been altered by the Attorney General to read something entirely different, apparently because this fact has recently shown up in too many private court petitions and memorandums of law.

To become a member of the American B.A.R Association, applicants must have obtained a Doctorate in Law or the equivalent thereof and passed an examination designed to test the depth of their indoctrination. If they pass, they are required to surrender their American citizenship and swear allegiance to the Queen of England and not the Constitution! This means that all card carrying American lawyers are foreign agents, liars, traitors and communists!

No wonder Jesus warned us about, "lawyers!"

The privately owned corporate Federal Reserve Systems debt has cleverly been renamed: "The National Debt," to suggest that this is the American public debt however it is not America's debt but rather Israel's Debt and the private Federal Reserves corporate debt and yet we have been deceived into thinking and believing the complete opposite by the [corporate slave drivers] through their use of patriotic slogans like:

"This is the cost of freedom!"

If you want more proof, examine the fine print of your Savings or Checking account contract. You will discover that each time you opened one of these accounts; you agree to be responsible for the repayment of the National Debt! Now why would that language ever be included in an application for a checking or savings account if the

National Debt already was our responsibility? The answer is: So that the Banks may confiscate your assets without further permission! Pretty clever on their part, if I do say so!

Would it interest you to know that the FCC, CIA, FBI, IMF, NSA, IRS, OPM, ATF, DEA, NASA, INTERPOL, HS [Homeland Security] and all the other members of the alphabet gang are all privately owned corporations and none of them are or ever has been an agency of: "United States, Inc." The United States government always held some stock in these corporations but never outright owned or controlled any of them? Their employees receive their paychecks from OPM, which belongs to the IMF, which is the property of the United Nations, which belongs to Israel and the Royal and Elite Class of Europe! All of the alphabet gangs are now the registered property of the: "United Nations." Is it no wonder that President Wilson's League of Nations never got off the ground and that out of 267 Nations on the Earth only 71 are members of the United Nations?

All of this deception is compounded by the refusal of ordinary Americans to realize, know or understand that it is this secrecy and duplicity of privately owned corporations, being surreptitiously portrayed as American agencies and government, coupled with the deceit and endless greed of Israel; European Bankers and the Royal and Elite families of the World, that have come together to fleece the American people like the **sheep** they truly are and unfortunately, Americas' public apathy and ignorance only serves to reinforce the lie!

This paper hopes to expose many of these Secrets of America but unfortunately not all of them! A few references have been suggested or offered for you to investigate on your own, if you are so inclined. If you strongly disagree with anything I have written, GREAT, now prove that I am wrong but be careful how you react because we patriotic Americans' have all been taught from an early age, too just simply deny without proof, anything that contradicts that imaginary template defined as:

"The American way of life!"

I happen to know that everything that will be discussed herein is factual and I grant you that these Secrets of America will not be easy to digest because deception never is an easy pill for anyone to swallow! If ignorance truly is bliss, you certainly can choose to remain apathetic and ignorant [or] you can decide to grow up and begin to digest some hard core reality! Some of your best friends may be lawyers, judges and politicians and unfortunately they are all apart of the lie and they all have sworn an oath to propagate the lie and deny the truth, so you

may need to do some soul searching and investigation of your own! It was hard for me to accept too!

"Those who do not know their past are condemned to repeat it."

George Santayana

Offered as a Prologue: The most objective and original information I have discovered, concerning the **ORIGIN** of an ancient system of crowd and mind control called: **[Babylonian Slave Driving Techniques]** and its historic application and effects upon the European and American culture was researched by a group of Asian historians. All of what they discovered is extremely germane in understanding the Secrets of America and this information helps to set the stage for: The Great American Adventure.

The following is a brief synopsis of their research, which I have condensed, utilizing my knowledge, experience and comprehension of their systematic investigation and I have included several small details in that synopsis, which I uncovered during my many years of research. I warn you that most Asian people believe in a deep spirituality more so than in religious dogma; miracles or human Gods and that such Christian beliefs will be treated by them with complete indifference.

I apologize now, if I tend to repeat myself at times or go off on tangents throughout the body of this paper but unfortunately I find it most difficult not to, when each time-line event or topic lends itself to further qualitative or quantifiable data.

PROLOGUE:

AT THE DAWN OF HUMAN HISTORY

At the dawn of human history, some 6000 years ago, in the ancient city of Babylon, a spurt of great prosperity in agriculture brought about a population boom and the formation of family Tribes, which also spirited a frenzy of fights and battles within and between these groups in an effort to establish tribal supremacy. Out of this confusion arose an intelligent and tyrannical individual by the name of **Hamurabi**.

Hamurabi devised a system of mind control; population control and laws of conduct and trade, which was later defined as: **The Babylonian Slave Driving Techniques**. Hamurabi's system of controls was reduced into

writing, in which he combined local folk wisdom and prophecy, in an effort to lend to his system more credibility among the Tribes and he included additional propaganda about the existence of an omniscient, omnipresent, Almighty God, who saw all things, rewarded all deeds and punished all misconduct.

NOTE: There was another civilization the size of the ancient Roman Empire that existed near the City of Babylon some two thousand years earlier, which has just recently been discovered by archeologists and it would be a reasonable conclusion or assumption that the folk wisdom and prophecy of Babylon was actually derived from this earlier civilization. The Continent of Atlantis however existed several thousands of years before that, which continues to be denied by the Royal and Elite faction through their slave drivers, paid historians, paid scientists and media representatives.

Hamurabi's system of control, conduct, folklore and prophecy preempted the **Christian Holy Bible** and the general **Laws of Government**. His Trade Laws would eventually become known as the: **Law of Merchants**, which is still used and recognized today internationally as: **The Uniform Commercial Code**. **Hamurabi** plagiarized the concept and existence of an Almighty God, which had been prophesized for many years in folk legend and he cleverly included himself in these writings as the man named: **Abraham**.

NOTE: As you read on you will see that according to these Asian historians, they have concluded that the Christian Holy Bible was actually compiled by the royal and elite classes to be used as a tool to keep them in power and to help them control and drive the ignorant and unwashed masses defined as their slaves!

Individuals in Mesopotamian eventually built upon **Hamurabi's** concept of crowd; mind control; his all-seeing and all-knowing God and the prophecy of **Abraham**. One of their members, a bearded man with a charismatic persona, appeared out-of-clean-air; sat upon a throne and proclaimed to all of the Tribes that his royal status and bloodline was derived from none other than: **Abraham**.

There was no way to prove the truth of his statements and so in order to maintain this belief of his royal status and retain absolute control over the many Tribes, a series of great visual aids and displays resembling miracles were engineered. Next, this god-king employed and empowered a special sect of slave drivers to further cement his will and control over the people, which initiated the birth of the: "**Freemasons**." One tenth of the wealth

of the Tribes agriculture would be demanded of and surrendered too this god-king as a tax upon his subjects, which he called tithing.

Eventually, the combined Tribes invaded the pagan empire of Egypt and the **Freemasons** added the [Egyptian Slave Driving Techniques] to their arsenal of knowledge. The symbol adopted by the **Freemasons** to identify their special sect was plagiarized from the pagan religion of Egypt, which was the '**all-seeing-eye**' encased in the apex of a pyramid and which was intended to convey to the masses that their duties and authority was superior to them and was derived from the all-seeing and all-knowing Almighty God!

NOTE: This Egyptian pagan symbol of an all-seeing eye at the apex of a pyramid is still used today and appears on the reverse side of the Federal Reserve Notes, printed by the Sabbatean Jewish Bankers of Israel who own and control the Federal Reserve System in America. The use of this symbol is intended to identify these European Bankers as Freemasons and Illuminati members.

These Slave Control Techniques created a parallel cultural evolution between the royal and elite ruling class and the ignorant, unwashed masses, by utilizing a combination of knowledge; food and financial restraints, which included a forced superiority over life and death! Any unusually intelligent individuals who discovered or deduced the true nature of this royal and elite movement were either: *inducted into it; murdered or their position and influence was neutralized by an assortment of other devious means.*

The royal and elite ruling class were constantly confronted by numerous rebellions. One such notable rebellion was led by a person named, **Jesus Christ** and despite the fact that Jesus was eventually executed by the elite class for treason; his radical ideas appealed so deeply to the poor and down-trodden that His rebellion called **Christianity**, spread like a wild-fire across the land.

NOTE: There were more poor people than the royal and elite class however the royal and elite were infinitely superior in intelligence and wealth and they used their intelligence; wealth and cunning to control the minds and hearts of the unwashed masses they defined as slaves. The same principal is applied in America this date!

After Rome invaded Judea and scattered the Jews, the **Freemasons** began to offer their services to other Kings and despots. **Roman Emperor Constantine** was convinced by one sect of **Freemasons**, to compile a book of his own, which would encompass the Christian folk beliefs and prophecy and the Pagan beliefs of his people; establish his laws of conduct and thus provide him with an infinitely better way to control and herd his slaves like sheep. **[The lord is my Shepherd]** became the preamble of this ideology.

The Roman Church at this time was totally a pagan church composed of doctrines that encouraged murder; human sacrifice; devil worship; peonage; the accumulation of wealth and the worship of demon-god like idolatry. Emperor Constantine deduced that he needed to either **crush** or **utilize** the tide of this Christian rebellion, which was devouring his Kingdom and so Constantine ordered that the basic principles of the pagan Roman Church and the new Christian movement be merged together into one religion, at the Council of Nicaea, which resulted in the birth of: **The Holy Roman Church**.

Over many centuries to pass, the doctrines of The Holy Roman Church have been constantly expanded upon by the absorption of other ideas and beliefs procured from other religions, prophets and folklore. Those ideas and beliefs that were considered **palatable** to the royal and elite classes, was persecuted relentlessly in an effort to establish a universal mental control and culture!

NOTE: All of the Royal families located in Europe; Asia and South America eventually inter-married to make them all related by marriage; to strengthen their royal bloodlines and to eliminate wars between the royal classes. Then they pooled their wealth to create a new business enterprise: The financing of currency for various World governments with the underlying motive to control and influence those governments through the debt that was owed to them. To increase the debt owed to them, they helped to instigate wars and conflicts between various countries and people.

A philosophical riff eventually developed between the European Royal Family factions regarding their beliefs in an Almighty God and their purpose and duties toward mankind. This riff split the Royal Families into two factions: The European Royalty and the Chinese Royal Family. These are just names.

The **European Royal Family** conceal their power and intervention behind the **Rothschild** name, a group which included most of the Nordic; Eastern European families and some Central and South American countries

and the Vatican. The Sabbatean Jews follow the ancient religion of Babylon and practice an anti-traditional philosophy, which is highly pagan and which explains their attraction and connection to the Vatican. This faction believes that the concept of an Almighty God is an historic prevarication premised upon folk legend and/or prophets of the time and that their only duty was to the Royal family; the Elite class; the accumulation of greater wealth and their continued domination over governments and the ignorant, unwashed masses defined as their slaves.

The European faction finances the Freemasons; the Mossad [and] an Elite army of mercenaries concealed within their rank and file known as the, Illuminati. The **Freemasons** are charged with the responsibility of driving the slaves; the **Mossad** are used as bodyguards and intelligence gatherers and together the **Illuminati** are responsible for eliminating or terminating obstacles and problems with severe prejudice, affecting the royal and elite families!

The other, larger royal faction known as the **Chinese Royal family** include all of the royal families in the Middle East, Asia, Russia and most of Central and South America. They became a more devout group who had amassed what they believed to be proof of the existence of an Almighty God and who believe that their royal family obligations included serving mankind. They believe that their pooled wealth in safekeeping, belongs only to their Almighty God, pending His physical return to Earth and in the meantime their Almighty God's wealth should benefit all of humanity, so that man can devote more time and energy toward his mental; physical and spiritual discipline and enlightenment.

Ever since this philosophical split between the royal families, the European faction has constantly attempted to steal all or part of the Chinese factions physical cache of wealth and plot the murder of the Chinese family elders.

All of the world's **Martial Arts Societies and Masters** are financed by the Chinese Royal family and in return the martial arts Masters have sworn a pledge to their Almighty God and to the Royal family, to provide security and protection for the Chinese Royal family. An Army of **Ninja's** protect the family elders today.

NOTE: The oldest living elder is currently 165 years old and the youngest elder is 95! Yes, there is a secret of youth; longevity and a body free of disease and the Royal Chinese elders know what it is!

Nearly all of the countries on Earth have at one time or another received financing from the Chinese Royal family because they truly are a devout and honorable group. It is this financing that the European faction has alternately been attempting to procure since they have frequently failed to seize the Chinese factions' great physical cache of wealth, which is estimated to be 85% of the entire World's gold; silver; precious gems and antiquities.

The European faction is a ruthless group! They do not lend, they bribe and steal and both Royal family factions liberally utilize look-alike decoys surrounded by bodyguards because all of their family members are constantly at risk of assault and murder!

The Holy Roman Church, which is a privately owned corporation defined as a religion, is housed within the [**Vatican City of Rome**] and is a powerful royal faction and mono-culture in their own right. Following the same principle utilized by the European Royal faction, the Vatican finances **Priests** to drive their slaves and finances a mercenary group of Priests known as: "**Jesuits.**" The Jesuits are utilized as personal bodyguards and are responsible for physically eliminating problem people and obstacles to the Church with extreme prejudice! The **Cardinals** and **Bishops** are the administrators and intelligence gathers for the corporation.

The appointed administrator of the Jesuits is called: "**The Black Pope**" and his pulpit is located within the confines of the United States Pentagon! He is Illuminati and on special occasions dons the traditional black robe of the Illuminati Priests. "**The White Pope**" is the Chief administrator of the church and the positive public image that the corporate Holy Roman Church desires to propagate upon the World's masses. His pulpit is located within the confines of the Vatican of Rome. He dons a white robe gilded in gold, which is supposed to symbolize the Almighty God's purity; property and the wealth of the Earth.

The reformation by Martin Luther was another rebellion against this Royal Catholic mono-culture and their Babylonian system of slave controls. Many of the European people being persecuted for their objections and ideas to these control techniques, found freedom from persecution in the New World and as a result, America flourished as no other civilization before it!

In a parallel to this genuine religious belief and feeling of the American people, manipulators from the European Royal faction, secretly infiltrated the American society and the new deceptive concept of government that certain American leaders were attempting to establish. These manipulators then planned and evolved increasingly sophisticated ways to regain control over their deposed slaves and control over the new Republican American government.

Several of the manipulations they employed, was designed to drive the people into conflict and war; to strengthen them through competition; to reduce their population growth and to profit from the sale of arms to them. The European faction used the gold and jewels they had looted from India during the middle ages, to finance both England and America during the American Revolution and the War of 1812. Their additional goal was to strengthen their influence over the King of England and regain control over their English slaves. This is also how **Freemasonry** became so central to the development and history of both England and America.

NOTE: The Chinese Royal Family faction had initially provided financing for the expansion and improvement of America but vacated their presence once the European faction sufficiently dug their claws into the corrupt American government and the lifeblood of the Country and the rest is history.

There was a true idealism in the American adventure however the original concept of American Democracy proved to be too unruly and too difficult for the European faction to control! To tighten their reigns and employ a stricter discipline, the royal family quietly waged a 137 year physical; political and financial battle against their deposed American slaves, utilizing the same ancient [Babylonian Slave Driving Techniques] premised upon the philosophy that: ***"He who controls the keys to the grainery, controls the food, the culture and the people."***

NOTE: In addition to driving America into War and the staging of conflicts between the various races and creeds, their next target and goal was to drive the small American farmer out of business and then deplete the nutritional level of food products or replace many natural food products with chemicals utilizing a new science called micro-biotic's. Next they forced the unwashed masses to become dependent upon the privately owned corporate government to feed; clothe and to protect them and lastly, they broke the backs of the labor unions by encouraging American industry to move their operations into 3rd World Countries by eliminating Americas' import and export taxes.

After the European Royal Family secured control of America's assets by the passage of the Federal Reserve Act in 1913, their first planned strategy was to initiate preparations to immerse North America into a World War, which was accomplished by cleverly arranging for the sinking of the Lusitania and the circulation of propaganda world-wide, which accused the government of Germany, "for this despicable act of cowardice!"

NOTE: It will not be discovered until some 80 years later that the Lusitania actually sunk from an internal explosion in the fire room, which could have been the result of a strategically placed bomb next to one of the ships boilers as opposed to a torpedo delivered from a German submarine! The American people believed the fictitious printed rumors instead of demanding proof, which eventually will become the American rule rather than the American exception! The American public will taught to believe that everything reported by the media is the absolute truth, which succeeded in making them mentally lazy and highly gullible!

The fruit of the European Royal endeavors resulted in the First World War and they financed both sides of the War. The financing contracts with these Nations was arranged through the Rothschild banking empire and was conditioned that: Regardless of who wins or loses, both Nation Countries shall be responsible for the war debt, which shall be paid back in gold with interest and usually included a lien upon each Nations Treasury, which ensured the European Royal Families future control over the legislators of each government.

NOTE: During World War I, a great many types of gas and germ warfare was implemented by both sides. The Illuminati took advantage of this type of warfare and released an airborne flu virus in the United States and in Europe to help reduce the Worlds population of their weaker, less virile members. This flu virus would later be known as: "Influenza" and will be used by the Illuminati many more times in the future.

World War II was also a planned event and was instigated for several of the same reasons: [e.g.] To reduce the world's population and stall its population growth; to generate prejudice, hate and competition between the various nationalities; races and creeds; to gain the profits generated by another World War and lastly to scare the Jews out of Europe and back into Palestine.

NOTE: Historically, the Jews were always a highly intelligent race who home schooled their children in religion; language; arts; science and mathematics. They were not your typical ignorant, unwashed society and they questioned everyone and everything and were opposed to being governed by any other

faction, which made them a constant obstacle for the European Royal faction to control and or eliminate. The Sabbatean Jews do not practice the same Judaism as other Jews around the world and since they couldn't successfully convert the other sects to the pagan Judaism practiced in ancient Babylon, the Sabbatean Jews preferred to destroy them as their enemies. The Sabbatean Jews are bound and determined to make the Biblical Old Testament come true and they constantly influence and alter World events in an attempt to accomplish this!

Baron Rothschild [a/k/a Adolph Hitler] a Sabbatean Jew, got carried away with his new role as the Chancellor of Germany and became a little too ambitious in the development of the Illuminati's pre-planned regime! Hitler circumvented the original, scripted, long-term Masonic plan of ruling the world from Mesopotamia and opted to establish an instant global empire with his central headquarters located in Berlin, Germany.

NOTE: All of the materials that the World has been furnished regarding the origin and death of Adolph Hitler, was like his name, a complete fiction. Hitler died of old age in Argentina and no one knows what really happened to his concubine, Eva Brawn.

By the end of World War II, the Masonic cabal [Freemasons] attempted to cement the European Royal factions' control over the rest of the World by creating the privately owned corporate United Nations, which explains why only [71] out of [267] countries ever came on board. At that time, the Sabbatean/Rothschild criminal cabal controlled all five of the permanent Security Council members but has since lost the support and controls over the Republic of China and Russia.

NOTE: For clarification purposes, The Republic of China is an entirely different entity from that of the Chinese Royal family. One is the communist political government of China and the other is a combination of many different Royal family descendants composed of various nationalities. The Chinese Royal family wielded the greatest amount of influence over the other Royal family members and so the name of their group became known as the Chinese Royal family. Their center of business is located in Hong Kong and the family bank is called: The Royal Dragon Society Bank.

Back in America, the patriarch of the Rockefeller family, [John D.] representing the gas and oil industry and his fellow robber barons, [J.P. Morgan] in banking; [Ford and Carnegie] in transportation and steel production and [Coolege; Hoover; Roosevelt and Truman] in government, began a long-term program to complete the final physical enslavement of the American people by quietly and systematically gaining control over the

Congress; the media and the text-book publishing business. They accomplished this by liberally and strategically spreading a large portion of the Rothschild wealth throughout those venues in the form of bribes to Congressmen and by purchasing the majority shares of stock in the American media and American text book publishing companies.

NOTE: Through their financial influence and controls, these men of power were able to get the Federal Reserve Act and the Emergency Banking Act passed, which were designed to control all of America's assets and convinced or bribed the Congress to adopt the Bretton Woods Agreement, which is a plan designed to take over control of the American people and lastly was the creation of the Department of Education, which was administered by a director of their own choosing, to distort all educational materials and control and monitor the forced education of the American masses. All of these principles are part and parcel of the Babylonian Slave Driving Techniques!

Their greatest deception apart from establishing a duplicitous corporate government; the theft of Americas' assets and the distortion of American history, was the promotion of the so-called: "**science of economics**," which is and always has been the basic ancient Babylonian slave driving technology! This proved to be an essential mechanism for the European faction to thoroughly separate the American people from their assets, liberty and freedom!

END

The following quote was taken from the once uncirculated memoirs of President Franklin D. Roosevelt, which partly explains the crux or root of this great American fraud. But, even Roosevelt didn't know the depth of the European Royal Family influence and control in America and that their intervention actually predated George Washington's administration.

"The real truth of the matter is, as you and I know it, a financial element in the larger centers, has owned the government since the days of Andrew Jackson. In politics nothing happens by accident and if it happens at all, you can be sure we planned it that way." President Franklin D. Roosevelt

This next quote is from the writings of Mayer Amschel Bauer, 1744 – 1812, a Sabbatean Jewish German Banker and the founder of the Rothschild Family Banking Empire; who later changed his last name to Rothschild, which was his wife's maiden name, because people often mistakenly addressed him as: Mr. Rothschild. Mayer Rothschild died in the same year

as the War of 1812 and his Empire was continued on by his seven sons. The marquee bearing the family name of Rothschild, found above the business door, meant: '**Revolution**' in the German language and the six-pointed star that adorned this plaque, which is mistakenly attributed to the Jewish faith as the "Star of David," was actually derived from the six-pointed star used in pagan idolatry worship of ancient Egypt. The star is two triangles, one pointed downward and one pointed upward, which are the symbols of man and woman. By and through his eventual success, wealth and influence, the Rothschild family faction was responsible for causing this six-pointed symbol to be named the "Star of David" and become adopted by the Jewish religion and the political symbol of Israel!

"Give me control over a nation's currency and I don't care who makes the laws." Mayer A. [Bauer] Rothschild

During WWII, Adolph Hitler's Minister of Propaganda, Joseph Goebbels, is most often quoted for this philosophical gem! **Remember this quote most of all** because it has been effectively employed upon the American public as frequently and successfully as the proverb: "Where there's smoke, there's fire!"

"If you tell a lie big enough and keep repeating it, people will eventually come to believe it." Joseph Goebbels

This expose' represents a compilation of historic Secrets, hopefully in their correct sequence of events. It is not presented to you with a bibliography because you the reader **will** either believe it or you **will not**! No one will take the time to read or examine my sources because that is not what Americans do, courtesy of those expert mind control techniques that we all have been subjected too for so many years. The American nature is to believe what we hear, no matter how truthful and especially if it is **repeated** a great number of times, such as this jewel of propaganda:

"You are a free people, protected by a Constitution!" American Politicians

My other reason for writing this expose' in this manner also concerns my personal safety and plight. Too many patriots and loyalists who have attempted to document and expose government corruption throughout the centuries have been killed; are sitting in prison; are being detained in mental hospitals or they are being detained and tortured as terrorists in the military prison at Guantanamo Bay, Cuba. Remember how the elite and royal families of early Babylon dealt with unusually intelligent people?

"They were enrolled; they were murdered or they were dealt with by other devious means!" Asian historians

So as long as I do not attach a bibliography to this document, I will be regarded by most of the elite and royal classes; government officials; bankers; judges; lawyers and priests, as some kind of "screw-ball" and hopefully my safety should be reasonably assured. Few have expressed my observations and beliefs better than Stuart Chase, an American economist, engineer and author, who wrote:

"For those who believe, no proof is necessary and for those who don't believe, no proof is ever enough!" Stuart Chase

I now wish to address my apprehension about the Sabbatean Jewish Faction, many of whom serve as European and American politicians, bankers, judges and lawyers. The following quotes are from the Jewish TALMUD, which is as much like THE HOLY BIBLE is to a Christian! After reading the following passages, I ask you to draw your own conclusions:

1] "Jews may lie to non-Jews; Jews may use lies to circumvent a Gentile."

Baba Kamma 113a

2] "Jews may swear falsely by use of subterfuge wording."

Schabouth Hag. 6b.

3] "Jews must always try to deceive Christians."

Zohar 1160a

4] "Who took an oath in the presence of goys, the robbers and the custom-house officer, is not responsible."

Tosefta Szebnot, 11.

5] "One should and must make false oath, when the goyin ask if our books contain anything against them. Then we are bound to state on oath that there is nothing like that."

Utszabot. The Book of Jore Dia, 17.

THE GREAT AMERICAN ADVENTURE

SECRETS OF AMERICA

[political history, government and law]

By: Judge Dale, retired

PART 2

King George's historic claim to ownership of the Thirteen American Colonies called: The Virginia Colony, was a prevarication, which was manipulated by the Rothschild faction. America was already inhabited by the Red Race, the actual descendants of Atlantis; a continent destroyed around 9600 BC during a world wide continental land shift. The Emperor of America was an Indian named: **MOY TOY**.

In order for King George to lawfully lay claim to America, it was absolutely necessary for England to **Conquer the Red Race** first [or] the King would have had to negotiate with and procure land grants from the Red Race. This was virtually impossible and therefore King George's Land Grants issued for the American Colonies was a complete fraud and was contrary to an ancient international treaty titled:

The Ancient Rights of Discovery.

The Ancient Rights of Discovery defined that only new, uninhabited or conquered lands could be claimed by a Sovereign King or by his discoverer on his behalf and so representatives of: 'The Virginia Colony,' negotiated a Territorial Treaty with eastern tribes of the Red Race, which King George used as his base authority to issue his bogus land grants.

Factually, Land Grants could never have been obtained from the American Indian because the Red Race culture believed that: "No man can own the Wind or the Sun any more than he can own the Land, which the Gods have created for their use and benefit," and since the Red Race was more than capable of repelling any armada sent against them by any of the super powers of that time, the King and the Pope deduced that their demise would need to be accomplished by other means! The Red Race were gracious hosts and landlords and were willing to share what they had with the White immigrants. A disposition they would eventually regret for an eternity.

Columbus factually never set foot on American soil but rather sailed south from Spain to the Island of Haiti, while seeking a new trade route to China. On the Island of Haiti, Columbus and his crew murdered all of the

original inhabitants so that he could claim the Island for Spain, pursuant to: **The Ancient Rights of Discovery** and he renamed the Island, America. Columbus later repopulated Haiti with captured slaves from Africa.

Columbus was Catholic, a blue beard pirate in his own right and was far from a Christian or hero by any stretch of the imagination. The result of this mishap eventually led the Sovereign King of Spain to believe that he too held a valid claim to the new continent now known by all as North America.

NOTE: Spain fraudulently claimed that Columbus discovered Louisiana and had claimed it for the King and subsequently the Vatican used its influence to make Columbus a Christian hero, to help promote Catholicism in America.

The Pilgrims were a persecuted and exiled religious order originating in England and upon their exile they migrated too and lived in Holland for two years before traveling to America but not on Spanish or English Ships but rather on Dutch Ships named the Mayflower and the Speedwell. The Speedwell was sabotaged by the crew because they were tired of the long voyage and the remaining voyage to the Virginia Colony. Their sabotage forced both ships to land farther north in Plymouth Harbor.

The Pilgrims were greeted by **The Iroquois Indian Nation** when they anchored at Plymouth Harbor. **The Iroquois Federation Government** consented to permit the Pilgrims to cohabitate with them, providing that they first experience life as an Indian and complied with their Federation Government Rules, such as: **'No one can own the land; a prohibition against Slavery; No theft of another mans property and No persecution for religious beliefs [i.e.] freedom of religion,'** [do any of these sound familiar]?

NOTE: Even George Washington would eventually be required to cohabitate with the Iroquois Indians before being granted leave to remain on American soil.

George Washington was supposed to negotiate a Treaty with the Red Race, which would amount to approximately 568 separate Tribes. Washington wanted to avoid this and requested to meet with the Emperor but **MOY TOY**, refused to grant Washington an audience because he was a commoner and not an Emperor in his own right! The eastern Tribes received permission from their Emperor to negotiate separate Treaties with

these white immigrants, if they so choose! [i.e.] Washington DC; Virginia; Maryland; Tennessee and five other States are located in the Cherokee Indian Nation Territory per the Treaty of 1791 and it is still valid and enforceable!

The Iroquois Federation Government and their Constitution was a carryover from when the Red Race were Atlantians and the dominate civilization of the Earth. The Red Race made one huge mistake in their dealings with these White immigrants. They had become complacent and believed they were always in control and were undefeatable. A lot of fights began to break out between the various tribes, which usually involved some form of bias and prejudice in order to establish superiority over the other neighboring tribes [**a human flaw that has constantly occurred since ancient Babylon and continues to occur in this day and age**]. During these tribal distractions the colonists would break many of the strict rules that bound them and the Red Race continued to ignore these minor violations and nuances of their Federation Government.

The Red Race considered these White immigrants to be an inoffensive; physically weak; uneducated and slow witted group and so they generally chose to ignore their minor breaches of the rules! The White immigrants however weren't as ignorant as was believed because every minor breach was intended to chip away at the strict rules the Red Race had established for them and therein establish their own superiority over the Indian Tribes!

Many of the Pilgrim women chose to remain with and marry Indian Braves because of how favorably women were treated by the Red Race, which has always been an historic distortion of fact created by the white men and their government leaders, to justify their attacks and theft of the North American Continent and their attempted extinction of the Red Race!

For numerous years to follow, many of the white colonial women, who were supposedly rescued from their captivity, escaped from their white liberators, only to return to their Indian husbands! This happened so frequently and became such an embarrassment to the white colonial men that they established and introduced, "**standards of conduct and behavior for women**" and violators were frequently ostracized by the white community. The white men however were never held to the same standards as the women. Equal rights would take over two hundred more years to evolve in America.

The Iroquois Federation Government; their **Constitution** and even their **Postal System**, was eventually copied by the Founding Fathers; the Continental Congress and every European Government. The [UPU] Universal Postal Union, is a direct product of the Iroquois Federation Postal System. These concepts however were slightly modified by the White Race to define money, generate money, to permit control and ownership of land and license personal and intellectual property, which has always been a part of the White Race's culture, idealism and their preoccupation to own and control people; places and things.

The Puritans are responsible for having hand delivered and educated Europe in the Iroquois Federation doctrines after they migrated back to England, upon the removal of **Oliver Cromwell** from the throne of England.

NOTE: Our history books teach us that the Founding Father's claimed these doctrines to be the fruit of their intellect and invention [and] those same historians actually had the nerve to identify the Red Race as the savages! The fact of the matter is that many of the Founding Fathers were usually stoned on Hemp or drunk on Rum and were not capable of concocting anything as rational and complex as a Constitution or Declaration of Independence. Many of the Founding Fathers were from a privileged class who frequently partied with prostitutes and cheating wives in secret sex societies. As far as the Indian being a savage, think about it: If someone kept breaking his word and stole from you, you might begin to behave savagely too!

The Colonization of America continued to expand while King George grew deeper in debt to the Rothschild Bank. It was **Mayer Amschel Bauer**, a Sabbatean Jew and the founder of the Rothschild Banking Empire, who suggested to King George that he Tax the American colonies and demand his payment in gold! Since he was thoroughly in debt to the Rothschild Bank, King George subsequently decided to follow Mr. Bauer's advice to tax all commerce entering or exiting the Americas and he demanded his payment in gold! His first tax was on tea.

The colonists did not trade in gold but had developed a system of exchange based upon promissory notes called "Colonial Script," which is similar to the "Federal Reserve Notes" of today. The difference between Colonial Script and Federal Reserve Notes is: "Consent." The colonists consented to establish and honor the Colonial Script as a fair medium of exchange and which bore no interest charges, whereas, Federal Reserve Notes were thrust upon Americans by the Rothschild Royal Family, without

our consent, with interest and the intent of stealing the fruits of American labor, equity and assets.

The King's demand for gold is what instigated the Boston Tea Party and not the historic claim of: '**Taxation without Representation!**' The Colonists were actually willing to pay King George's tea tax, providing he would accept his payment in Colonial Script, which he could then trade back to them for Tobacco and Hemp products and he refused.

In response to the Boston Tea Party: King George sent his military in force to intimidate the Colonists. This resulted in an armed confrontation and many skirmishes, which was later billed and classified as the: Revolutionary War.

The fifty-one Colonists who are counted as being the "**Founding Fathers,**" prepared and served a Declaration upon King George, declaring America's Independence from England under the name of: "**The United States of America,**" which did not set well with the King. In fact, it outraged him!

The Colonists learned to fight guerrilla style warfare from fighting with and against the various Indian Tribes and subsequently won many of these revolutionary skirmishes but they never had a prayer of winning a War and besides, King George never intended to kill off the Colonists because: Who then would pay his tax? All he was attempting to do was regain control over his deposed slaves and any new slaves who had joined forces with the colonists.

Another historic fact that has been concealed from our history is that, the first and foremost crop to be grown in America was "**Hemp**" or "**Marijuana.**" America got its commercial start from a plant that is now classified a **Schedule I Drug!** Each of the Founding Fathers owned large Hemp Plantations. The Colonists made rope; flags; homespun clothing; sails; writing paper and medicine from the processed Hemp and the sterilized seed was used in baking, called sesame seeds. The Declaration of Independence and the Constitution is actually written on hemp paper!

The introduction of Tobacco eventually changed the score because Tobacco was so naturally addictive that England couldn't get enough of it and purchased all the Colonists could grow! Tobacco sold for more money than Hemp however Hemp had more practical uses. Many Colonial

farmers split their land into two: Half Hemp and half Tobacco, whereas others changed over to all Tobacco. All of the Colonists grew corn; potatoes; squash; apples; cabbage and raised chickens; beef and dairy cattle; and sheep but that was for their own personal consumption and not for export.

England had just defeated Napoleon and the English soldiers were battle weary and most of the English soldiers refused to fight the American Colonists because so many of the Colonists were their relatives. So Mr. Bauer traveled to Prussia and engaged the services of unemployed Hessian Mercenaries for the career English officers to command. The Hessian Soldiers had just finished fighting the seven years War and there was little need or employment for career soldiers. Their contract pay with Bauer was for fifty cents a day and Mr. Bauer billed the King for one dollar a day. Since King George had a revolving charge with the Rothschild Bank, repayment for these soldiers would eventually be required of him in gold.

MORAL: Never trust a Banker or a Sabbatean Jew!

Upon defeating the French, a second suggestion was presented to King George by Mr. Bauer, which was for the King to arrange through his newly appointed Civilian Administrator of France, to offer the Continental Congress a loan and appropriations to supply and finance the Revolutionary War. George's plan and logic was simple:

'To bring America to its knees in debt and then foreclose on it!'

Unfortunately, colonial America didn't have a prayer of winning and most of the money and appropriations loaned or sold to them went into the pockets of the members of the Founding Fathers! King George now controlled England, Ireland and France and ruled over roughly 60 million subjects. He also possessed the largest and most efficient Military force known at that time, which was the combined army and navy of France and England. The American colony known as: "The Virginia Colony," was populated by three million men, women and children in total and most of the men were farmers and tradesmen or bond slaves, armed only with knives and flintlock muskets. So it is beyond imagination that anyone could possibly believe that the American colonists ever won or possessed a chance of winning the Revolutionary War or the War of 1812! But then:

'If you tell a lie big enough and keep repeating it, people will begin to believe you!'

Nobody won the Revolutionary War but *since* the English military was first to stop fighting, the Continental Congress declared that America won the War, based upon an old **Maxim of law**, which reads:

“He who leaves the field of battle first loses.”

Twenty members of the Continental Congress were formerly Founding Fathers and were once English Lawyers and Aristocrats who had received considerable training in the art of English Law and they thought up that little jewel. Need I say more?

This situation however posed a new problem for the Continental Congress to resolve, which was: ***'How to place their debt to France on the backs of the American colonists?'*** They decided to tax all alcoholic beverages, which was the impetus that started the American Moonshine business and Rum smuggling trade. One of the largest Rum smugglers in America was Founding Father, **John Hancock**.

Mr. Bauer also had an ulterior motive apart from collecting the Kings debt to his bank in gold. Bauer viewed the American colonies as an untapped resource and a prime location to establish another branch of his Rothschild Bank. His plan was simple: ***'To establish a branch of his banking empire in the colonies; replace the Colonial Script with his Corporate Bank Script and then extend unlimited credit to the colonists with a repayment in gold!'*** It worked on King George so why shouldn't it work in the American Colonies? Bauer also changed his last name to Rothschild around this timeframe.

NOTE: The colonists never knew that the State of Virginia was as rich in gold deposits as the State of California and the Dakotas and that this little piece of information was kept secret from the public for a very good reason. The High Contracting Powers wanted to expand the Virginia Colonies to the West Coast of America and defeat the Red Race at the same time and so the California Gold Rush rumor was created by the American government! It was a rumor that was spread around the world in order to entice immigration and to replace the immigrants who died during their westward migration.

Rothschild however was unsuccessful in accomplishing his plan for the American Colony because the Continental Congress rejected his proposal based in part on a ***business plan*** they were drafting or modifying that was designed to **insure and protect their individual interests** titled: ***"The Constitution of the United States of America,"*** which was a modified version of the Iroquois Federation Government Constitution. The Articles

of Confederation was the outline for the Constitution and which spelled out their business plan to control America.

The Colonists were never asked if they wanted a Constitution nor were they asked to vote on this document because the Continental Congress had always intended to steal North America for their own personal posterity! The term: "We the People," was actually defined to mean, "We the Delegates," by the Articles of Confederation but we Americans' were never told that little piece of information.

The safeguards found in the Constitution was not for our protection but was actually intended to prevent any one or group of Founding Fathers from cutting the others out, which is conclusive proof in support of the old proverb, which reads:

"There is no honor among thieves!"

While Mr. Rothschild openly condemned the use of "**Colonial Script**" as money by calling it worthless, his Agents and employees who had secretly infiltrated the American Colonies were instructed to buy up or trade for all available "**Script**" that they could lay their hands on. While this was going on, Rothschild sent his top Banking Agent in Europe, to further infiltrate the new American Government, a man by the name of **Alexander Levine**.

Once in America, Mr. Levine changed his last name to **Hamilton**, to obscure his Sabbatean Jewish ancestry and conceal any connection as the CFO of the Rothschild Banking Empire. **Alexander Hamilton** secured employment as the personal secretary to General George Washington and after Washington's election to the Office of President; Alexander Hamilton was appointed by President Washington as the first: **United States Secretary of the Treasury**.

Alexander Hamilton however always remained loyal to the Rothschild family and the Rothschild Bank and as the first **United States Secretary of the Treasury**, he manipulated the value of the **Colonial Script** that the Rothschild Agents had accumulated and drafted a proposed and Charter for the first **United States Central Bank** with a 20 year contract. President George Washington signed the Central Bank Charter into law and therein successfully entered the Rothschild Banking Empire into American commerce, *by the stroke of a pen!*

NOTE: Our public education in American history taught us to laud Alexander Hamilton as a great American hero and patriot, when all along he was just another one of the many traitors to America who helped to undermine the Republic and the new American government!

When the Founding Fathers rejected the Rothschild's request for another 20 year Charter, in a fit of rage and with King Georges help; Nathan Rothschild, who was in charge of the London Branch, provoked and personally financed the entire cost of **The War of 1812.**

During the War of 1812, King George deduced that if he destroyed the American symbol of government and eliminated specific signers of the Declaration of Independence, whom he deemed to be the trouble makers [called patriots and loyalists] and burned the actual "Declaration of Independence;" that those acts of force and violence should take the fight out of the American Colonists and they would succumb to he and Nathan Rothschild's plans!

Thirty of the fifty-one signers of the Declaration of Independence were loyal Americans and the other twenty-one were traitors and were secretly loyal to King George. We laud these twenty-one traitors as hero's and patriots of the American Revolution because our government has taught us to do so but never a word has been written, spoken or taught about the other thirty loyalists who gave their last full measure of devotion in our cause of liberty!

Don't you find that just a little suspicious?

After the White House in Philadelphia was burned and specific American Loyalists; their entire families and relatives were murdered and burned in their homes in order to eliminate them as martyrs, the fighting stopped! The colonists returned to their trades and the English Military took up quarters in New Amsterdam now [New York] for the next eight years before returning to England and the Continental Congress once again declared America the victors.

Prior to the War of 1812, Benjamin Franklin made numerous trips to England, supposedly to visit an English woman and love interest however colonial documents suggest that Franklin was a common participant in the sex parties held by the wealthy so why travel to England to visit a love interest? Can anyone explain why Franklin died a bachelor and how the British Military possessed the names and address's of all thirty loyalist

family members and their relatives with specific directions to the homes of all thirty patriots on the Kings death list? Ironically, the other twenty one Founding Fathers and their families were never harmed or threatened!

The Treaty of Paris a/k/a The Treaty of Peace was negotiated by Franklin; Adams and Jay. In the Treaty of Paris was the concession that King George's son, Prince William, is the Sovereign Ruler of America!

I might also point out that around this time, Benjamin Franklin became the first Postmaster General; John Jay became the first Supreme Court Chief Justice and Samuel Adams served as Vice President under George Washington, for two terms before being elected as the second President of the United States. Were those positions appointed or arranged for based upon merit or were they actually rewards from a grateful King?

Remember the Constitutional Amendment regarding, 'the separation of church and state'? Well it may very well have been added and adopted by the Founding Fathers because of the great historic influence continually wielded by the Pope and the Church of Rome. The Founding Fathers were planning to steal America for themselves, so it would only make sense that such a prohibition and amendment be incorporated into their business plan [constitution] to avoid an open confrontation with the Pope and the Church of Rome. If The Holy Roman Church eventually infiltrated America, the Pope would then be prohibited from involving the Church in the business of the new government.

GEORGE WASHINGTON: The first American President and the epitomized '*Father of this Country*' had his own plan in mind: To be anointed, "**King of America**" and after his election, George overthrew the Organic Constitution for the United States of America under the Articles of Confederation and reinstated: The Virginia Colony Corporation and thereafter eliminated the first Constitutional civilian government on April 30, 1789.

George had a law background and relied upon the Articles of Confederation to perform his Treasonous plot and then he immediately took office one year before the **Organic Constitution** would have lawfully permitted him to do so. George died at the age of 67 in 1799 Virginia and his only rightful claims to fame is Treason and that he initiated a legacy of military dictatorships called the American Presidency. Few American's understand the kind of man George Washington really was and

'It is highly doubtful that George ever told the truth!' George is a hero in the eyes of the corporate State and Federal Government politicians but he was actually an opportunist; a liar; a tyrant and a traitor to America.

George's first official Presidential act was to install a **Corporate Military Government** to replace the expected constitutional civilian government, which just happens to be the same one that exists to date. President Washington's Military government is intentionally **hidden in plain sight**, which is evidenced by the **military terms** utilized to describe those designated offices, [e.g.] ***Commander in Chief; Attorney General; Auditor General; Secretary General; Postmaster General; Surgeon General***, etc. **[every office is supervised by a Military General]!**

"Sometimes the best hiding place is one in plain sight."

Edgar Allan Poe

President Washington's actions were treasonous to be certain and he was fully supported by the first elected members of the Continental Congress, which amounts to Subordination of Treason and Conspiracy! The Organic Constitution would have bound the hands of the President and Congress and so they all decided that it had to be eliminated or circumvented.

"Power corrupts and absolute power, corrupts absolutely"

Lord Acton, 1887

George also established the first **Masonic Lodge** in America with the intent of mustering the support of the influential colonial families to declare him **America's King** and to his chagrin his plan failed miserably because he could not secure the influence or support required. These influential people were already faithful to the King George and the new Rothschild Royal Family and Washington is very lucky that he wasn't assassinated!

ON AN HISTORIC NOTE: George Washington is indirectly descended from William, the Prince of Orange, an Illuminati High Priest and thus a relation to the Rothschild Royal Family. Ironically, every President of the United States has been directly or indirectly related to this same Royal Bloodline ever since. Even our current President is connected through his mothers' side of the family.

NOTE: Throughout my early years as an America, I was taught in public school and convinced that anyone can become President and that the American public made that choice. Evidence now reveals that our choices

were pre-selected for us and that every high ranking candidate, either Democrat or Republican, had to be a part of the Elite Class and had to agree to adhere to the whims and demands of the High Contracting Powers who control and run approximately [71] of the [267] countries of the World via the United Nations and now are commonly referred to as the Criminal Cabal! Their Board of Directors operate on American soil under the protection of a European corporation titled: LUMICORP.

All of these people are all of the same Royal Bloodline and form the nucleus of the secret society and criminal cabal known as: "The Illuminati." We Americans have been indoctrinated through expert programming, conditioning, prejudice and patriotism, to treat information like this as being ridiculous, absurd and untrue. Time to grow up America! Look around you and look at your lives! They have eliminated the family farms and local stores; placed us into cities; gave our industry away to break the Unions; issued valueless currency and stole our gold and silver; raised taxes and stole their paper currency back; involved us in staged wars; began a mass foreclosure of American homes and poisoned our air and public water!

How long can you continue to believe in their 'Complex Fairy Tales?'

George Washington and the Continental Congress all feared that their Treasonous conduct would become public knowledge and their reprisal swift and certain, so they concealed these facts by hiring authors to write and publish a different account of historical facts.

Note: These facts and all post events will continue to be altered by the High Contracting Powers, which will eventually be force fed to all American's through control vehicles like the: "Media," "Hollywood" and "Public or Parochial Schools."

ABRAHAM LINCOLN:

Being the absolute Liberal that he was, **President Abraham Lincoln**, attempted to do everything within his power to avoid a Civil War. The published version of American History doesn't reflect the fact that Lincoln had offered to compromise his stand on slavery **[e.g.]** His proposal was that: **"One seventh of the slave population would be freed each year during the following seven years."** There were forces unknown to him who were instigating a Civil War and who were ready to blame **'Lincoln and the slave question!'**

These forces also convinced the southern States to succeed from the Union, which was certain to destroy the foundation of the American Government and so a Civil War was imminent. The succession of the southern States from the Union technically destroyed the United States Congress because a

quorum could never be convened, so all Acts by the Congress during the Civil War was never lawful!

NOTE: This last statement is based upon the presumption that anything Congress did before that time-line was somehow lawful!

Lincoln attempted to cure this problem of the absence of a quorum by declaring that: ***America was at War.*** He supported his actions based upon the **War Powers Clause** found within the unenforceable, organic Constitution of the United States of America.

To his credit, Lincoln was the first President who intended to **sever** the European Royal and Rothschild factions control over the United States, which like President John Kennedy, resulted in both of their deaths!

The High Contracting Powers [European Royal and Elite] preferred a war to a peace because war stimulated **Commerce** and they all stood in a position to profit from every service generated by and within commerce, especially during a war. While the war carried on, it would act as a diversion to their subterfuge and their Babylonian Slave Control Techniques.

At the start of the Civil War, Lincoln attempted to secure financing for the North from the Central Bank of America, named the United States Bank [which belonged to the Rothschild Banking Empire]. The Central Bank demanded a high interest; a lien on the government Treasury and repayment of the loan in gold! Lincoln was so outraged by these terms and the lack of sentiment and patriotism that he promised when the War was over, his first act will be to: **"Drive the Central Bank out of America,"** and the verbiage used in Lincoln's **"Gettysburg Address"** would redefine his desire and intent to break the corrupt ties of the European Royal and Elite that controlled and bound America!

It was his stated threat about the Central Bank and his Gettysburg Address that caused Lincoln's assassination and not his stand on slavery. Threats leveled against America's Banks will continue to be the impetus for many future murders.

During the American Civil War, the **Confiscation Act of 1861** was adopted. This was an Act between the military governments representing the North and the South and was defined by those governmental bodies to be the: **'Rules of engagement and military protocol,'** concerning how

those governments and their Military will deal with American citizens during **time of war**. The words **time of war** will become a **key** in years to come with the passage of the **Lieber Code** and the **Trading with the Enemy Act!** The Confiscation Act specified that anyone who fought against the Government of the North would automatically lose his property but non-combatants who had suffered such property loss or confiscation would subsequently be entitled to lawful compensation. A legal ruse to be certain!

NOTE: The Confiscation Act: How do you prove a negative, that you are a [non-combatant] or [not guilty of a crime] and why should anyone have to, especially when it is physically impossible? This reminds me of the Catholic Inquisition and the Salem Witch Trials. Everyone accused of "witchery" was burned at the stake or drowned because no one could prove that they were not a Witch!

In 1863, **The Lieber Code** was adopted as well as **General Order No.100**, signed by President Abraham Lincoln. This Code is similar in nature to **The Confiscation Act** and **The Geneva Convention** [to be discussed next] and better defined how **Union Soldiers** shall conduct themselves in **time of war** and specified that any military officer, who violated this Code, shall be treated as a **belligerent!** This became another **key word** then and in the future because a **belligerent** shall come to be treated as a **combatant** and as such, subject to the **Confiscation Act** and the loss of his liberty and all he owns! This is exactly what happens to defendants in Americas Courts of Justice or rather Americas Military Courts!

In 1864, **The Virginia Colony**, [America's Corporate Military Government] under the guise of: **The United States of America**, entered into an International Treaty titled: **The Geneva Convention**. International Treaties are recognized by all of the World's governments and therefore carry more force and affect in law than any **Constitution** or **individual contracts** called **Statutes**. The crux of this particular International Treaty specifically **prohibited** any and all **Military Intervention** and or the operation of any **Military Courts of Justice** over the civilian population of **any conquered Nation!** By entering into this Treaty as The United States of America, the Treaty became null and void due to fraud because America was actually operating under the corporation titled: **The Virginia Colony**.

Factually, ***[American's are a conquered people; conquered by the European Royal and Elite and by their own federal and state***

governments, with the stroke of a pen and the expert use of legalese, deception, patriotism, propaganda, fear and intimidation]. Hence, the proof of the old phrase coined by Sir Edward Bulwer-Lytton, in his 1839 play about a Papal Conspiracy:

**“Beneath the rule of men entirely great;
the Pen is mightier than the sword.”**

Lincoln’s Declaration of War under the War Powers Clause of Article 1, Clause 8 of the Constitution has yearly and secretly been **renewed** by Congress and all past Presidents but for a different reason. Their renewed **Declaration of War** specifies that the private corporate US Government is **at War** with **America** and its people and defines the American public as, **“the enemy of the state!”** Now you know why the President and Congress continue to screw us over and constantly lie to the American public!

NOTE: The mention of the Constitution by the corporate government is only done to appease the ear of the American people. The Congress, Judges and BAR Lawyers laugh at Americans who claim protections under the Constitution and they label them ‘Constitutionalists’. Still the politicians and the media continue to pacify us by telling the American public that:

“We are a free Nation and a Nation of laws, protected by a Constitution.”

It sounds safe and comforting and that is what the bulk of society really cares about, being safe and comfortable because we equate our safety and pleasure with freedom! In December 2011, Congress repealed the Bill of Rights and in March 2012, repealed the 1st amendment and ordered a Media Blackout of both events!

So how safe do you feel now?

On or about December 6, 1865, The Congress of The Virginia Colony [America’s Corporate Military Government] secretly rewrote the Organic Constitution of the United States of America [twice in the same year], which disposed of the **original 13th amendment** and then replaced the **13th** by moving the 14th down to the thirteenth position. The **original 13th amendment [prohibited lawyers from ever holding a seat in government]** and now 98% of all government offices and 100 % of all Judges of the courts of record are held by lawyers. ***[Makes you think, doesn’t it?]***

The **14th amendment** followed on the heels of the **Emancipation Proclamation**, which was supposed to free the slaves and define all of our individual rights, which turned out to be another canard. The 14th amendment did just the opposite, which will be explained as you read on.

In the next rewrite of the Constitution, the **15th, 16th and 17th amendments** were added without a Constitutional Convention or public vote and was actually rejected by every State Government of the Republic however, **The Secretary of the Congress** ignored the rejection letters and reported to Congress and the media that these amendments had been ratified by a sufficient number of States! These amendments were intended to give the Federal Government the authority to tax us into poverty and they use those amendments with great proficiency! Future arguments before the Supreme Court resulted in the High Court declaring that the legality of these amendments was a political issue and not a judicial one and they subsequently refused to rule on them!

NOTE: The Secretary of the Congress got away with this deception because The Constitution was never intended for America from the start. The Colonists were functional illiterates and many a wool was pulled over their eyes and unfortunately the same strategy continues to be used against us today, to keep all Americans functional but illiterate!

Despite the fact that these secret rewrites were contrary to any public vote or law, Congress finally adopted the rewritten Constitution in Washington D.C., which became the '**proprietary law**' for the District of Columbia. Proprietary law carries with it the same force and affect as a City Ordinance and since the District of Columbia is not a recognized State, this Ordinance was only enforceable against the residents of Washington, D.C., also known as: '**federal foreign citizens; United States citizens**' and '**14th amendment citizens.**' These '**words of art**' were created by the **14th amendment** with the future intent to entrap us all! The 13th; 14th and 15th amendments were amendments to the Reconstruction Act and with the passage of the Reconstruction Act; these words of art forced all State Governments and State Officials into the District of Columbia as extensions of the Corporate Federal Government. This underlying deception created another set of duplicitous governments, which pose as State Governments, which are actually Federal, with State Officials that are actually Federal Officials.

The residents of Washington, D.C. are actually '**federal foreign citizens**' because Washington, D.C. is not a State and therefore is alien to the

American Republic. Prior to this date, American's residing within the States were referred to as: "***Sovereign citizens of the Republic***". The power of the word Sovereign comes from the "**Declaration of Independence and God.**"

The Corporate Government fears the Sovereign Citizen because corporations and politicians have no power over the source of law and Sovereign's are the source of all man-made laws, despite the fact that we are never provided with the opportunity to vote on the passage of any of the governments planned **Statutes**, which were designed purely to drive and control us! Statutes are written and passed by the Congress as though they were a King and Kingdom of America! As an elector, is that what you voted for at every National Election?

Contrary to popular opinion, the 14th amendment did not free anyone but rather enslaved everyone, except for a list of 300 influential families who were granted immunity from the 14th amendment and can be found in the Congressional Record of 1865, which gave them diplomatic immunity. The 14th amendment did not initially make everyone a 14th amendment citizen nor grant any special rights or freedoms. [e.g.] '**The Bill of Rights.**'

What it succeeded in doing was to make all public officers and people in residence within the District of Columbia, a 14th amendment citizen a/k/a United States Citizen and Federal Foreign Citizen and provided for a bounty, enforceable against them for the non-payment of the **Public Debt**, which was later changed or coined by Congress as the **National Debt!** The Public Debt or National Debt belongs to a private corporation named: **The Federal Reserve.**

This bounty could not lawfully be enforced against anyone else because everyone residing within the states was still a: **Sovereign American citizen of the Republic.** The word Sovereign is derived from the Law of Kings; meaning that: '**The source of law is derived from the King and therefore the force of law can never be enforced against its source!**'

As Sovereign Citizens of the Republic, we are the King and source of law and therefore the force of law cannot be enforced against us, except by us and not by any government! If there isn't some truth in what I write, why would the Federal Government exercise such pains to facilitate this complex political conundrum and fraud? This also explains why every law

is civil, even the ones defined as criminal are actually civil. Contracts can be enforced against everyone including the King!

By the third Constitutional rewrite, we all unknowingly became a 14th amendment citizen **by our consent** and became the **collateral property** of the Corporate United States Government, which once again is the King and Queen of England; the Vatican and the Sabbatean/Rothschild Royal Family faction. Our lives, our destiny, our children, our credit, our labor, our freedom and all we perceive to own, would be and has since been leveraged against the unlimited spending practices of that body politic! Our money was once backed by gold and after 1933 it read: **"Backed by the good faith and credit of the American people"** and now it promises absolutely nothing **because now it is all just fiat money or counterfeit**, which has no ascertainable value.

NOTE: Every time you complete a government form or tax return, you are asked to check a box indicating that you are a United States Citizen, meaning a 14th amendment citizen, under penalty of perjury. You should be checking the box that reads: "Alien of the United States" instead because we are not residents of Washington, D.C. or the Territory of Puerto Rico, Guam or Samoa. Unless employed by the government, we all are alien to the Federal Government and not their corporate property! Again this is done to entrap us into reaffirming our consent that we are their corporate property and subordinate to the parent corporation [Government] and if you try to recant that admission, you are guilty of perjury! Ingenious isn't it?

Next came **The Reconstruction Act of 1868**, which is misleading because it actually dealt with reconstructing the order of governmental power and re-defined the military's purpose and authority within The Virginia Company, fraudulently being represented as The United States of America. This remains in full force and affect today despite the fact that President Andrew Jackson had vetoed it! Presidential Veto's can be defeated by a two-thirds majority vote by Congress and this one subsequently was defeated. **[e.g.]** As a result of this Act, the Power and Authority of the Military supersedes all power or authority of all State; County and City Governments, which are now a part of the Federal Government and all law enforcement personnel is subordinate to the President and the Generals in charge of the Federal Government and therefore the power and authority of the Federal Government becomes an absolute by this Act! All this means is that the Government now has the right to tell you how to live your life whereas, before this Act, we controlled the government!

NOTE: This explains how an FBI Agent can take an investigation away from a local police department. All States and State Officials are sub-Federal and are subordinate to the Federal Government when we at one time use to control the State and Federal Government as a Republic! Any and all who refuse, will be treated as Belligerents and subject to the Confiscation Act! Most people who have a local, county or state job do not realize that they are all Federal Employees pursuant to the Reconstruction Act and the 13th; 14th and 15th amendments.

On March 9, 1933, House Joint Resolution No. 192-10 by the 73rd Congress, was voted into law, which is the **Emergency Banking Act**. This Act declared the Treasury of the United States, '**Bankrupt**', which is an impossible feat since the U. S. Treasury was secretly closed by the Congress twelve years earlier in 1921. The **Emergency Banking Act** succeeded in abrogating America's gold standard and hypothecated all property found within the United States to the Board of Governors of the Federal Reserve Bank.

All **Sovereign American Citizens** residing within the Republic of States suddenly and falsely were **expatriated** from their Sovereign American status without their knowledge or consent and their labor, souls, children, property, sweat equity and credit became the financial collateral for the public debt, which had then been converted into a **Public Trust**, which had been scripted after the **ancient Roman Trusts**.

"Script" money or [**negotiable debt instruments**] was issued by a **private corporation**, which is owned by a group of Sabbatean European Jewish Bankers and which is known to everybody as: **"The Federal Reserve System."** These promissory notes were called **Federal Reserve Notes** and our future treatment by the U.S. Government was to be redefined under **USC Title 50, 'The Trading with the Enemy Act'** in which American citizens are defined as, **"an enemy of their government"** and this is the reason why **Lincoln's Declaration of War** is renewed yearly by Congress and the President! In the same year President Roosevelt closed **THE VIRGINIA COLONY CORPORATION** and opened a new Government Corporation called: **THE UNITED STATES, INC.**

"The Federal Reserve Act" was designed and written by a German National who was repatriated into the United States in 1903 through Ellis Island of New York. His name was **Paul Warburg**, and who was a carbon copy of **Alexander [Levine] Hamilton**. Mr. Warburg was a

Sabbatean German Jewish Banker and CFO of the Rothschild Banking Empire. Mr. Warburg's assignment was to craft a piece of legislation designed to control the finances of the United States Corporation from Europe. The Federal Reserve Act is approximately 1500 pages and places the currency and finance for the United States Corporation under a private corporation called, "**The Federal Reserve.**" The Federal Reserve is owned lock, stock and barrel, by the Sabbatean/Rothschild Banking Empire and not by the people or the corporate government of the United States.

The **Great Depression of 1929**, like so many other catastrophes before and after this date was actually a staged event, concocted by the Sabbatean/Rothschild and Rockefeller Banking Empires; the Queen and British Parliament; the US President and Congress; the Vatican and numerous Elite families to steal America's gold and silver reserves and replace it with, "**Negotiable Debt Instruments**" or Script money. Their theft was ingenious and by allowing the public to fall on hard times, the public soon began to demand that the government fix the problem by any means necessary!

This was like self mutilation being repaired with a band-aid!

NOTE: While everyone struggled in this Country to survive, President Roosevelt and the Congress were making interest bearing loans to Foreign Governments, using the very money they publicly swore did not exist! Germany used that money to enlarge their War Chest. The American public however was so self-indulged about their own personal fate that they never considered or asked how it was possible that all of the above government individuals, never personally lost a dime during the Great Depression and how they all continued to enjoy their family estates and personal wealth! Remember the term, "functional illiterates?" Need I say more?

We all have been trained to believe that someone not born on American soil is an alien however we forget to consider that the Declaration of Independence was written completely by aliens and not one adult Colonist or Founding Father was born on American soil! The Immigration Laws of the United States are contrary to the Declaration of Independence and the biggest Terrorist on the planet is now the United States Government! This fact will be further discussed later on.

Following the 1933 bankruptcy; most American's were not aware that HR 1491 or HR 4960 had been secretly passed, wherein the US Congress actually relinquished our right to have or accumulate gold and silver. The Congress eventually repealed part of this legislation to accommodate jewelers but all Americans' are still prohibited from having or accumulating

solid gold and silver. Hence, our coins are no longer solid gold or silver but are tin and nickel plated, carbon filled coins. Pennies are tin and copper plated carbon filled coins. These Acts also established the requirement of **licensing** and then with the enactment of '**The Trading with the Enemy Act**' under **War and National Defense**; the **Confiscation Act**, the **Reconstruction Act** and the **Lieber Code** were all tied together to create the **secret fascist** government of the **United States**.

NOTE: The word 'license' is defined in all modern law dictionaries as: "A permit to do something unlawful." Now think about that and consider all the Licenses you currently hold? Those licenses are civil contracts that have been issued to you by the government only so that you may do something unlawful but rather unlawful!

[e.g.] When two people apply for a marriage license, the two of you enter into a binding contract and by applying for a license to marry, you now have voluntarily included the State as a third party to your marriage! If things don't work out in that marriage, the State is first to be satisfied.

[e.g.] Your right to travel is an unalienable right defined by the Declaration of Independence and not a privilege and yet the government demands that you apply for a driver's license! Google: Right to travel and read the millions of old Court rulings that cite our right to travel without a license! PS/ The Courts now refuse to honor those old precedents of law since 1938 because of a Supreme Court case titled: Erie Railroad v. Tompkins, 304 US 64 (1938).

Mr. Tompkins attempted to walk along a set of Railroad Tracks when he was struck by an appendage fastened to a mail train and he subsequently sued claiming negligence and damages on the part of the Railroad. What Tompkins didn't know was that the Railroads were in partnership with the Corporate United States Government and so to protect the Government, the Supreme Court ruled that: '**Absent a ticket or license, Tompkins was trespassing on railroad property and therefore he was barred from any relief.**'

This ruling wiped the slate clean by eliminating all previous Court precedents that occurred prior to the year 1938 concerning our unalienable right to travel and opened a floodgate for new State and Federal Government controls such as: The State Vehicle Codes and the requirement for licensing of everything and anything!

Prior to 1933, we all were proud and peaceful **Sovereign** inhabitants of America. The Trading with the Enemy Act, the Confiscation Act and the Lieber Code obligated the military government to, '**peacefully interact with American citizens**' and **prohibited** them from '**provoking us or to act belligerently toward us**' [or] they forfeit their ability to profit

and loot [or] to securitize our property, equity and credit being held in a Public Trust.

When we voluntarily or involuntarily entered their **Military Courts of Justice**, one will frequently hear the prosecutor or defense lawyer argue that: **'Your comment or actions are a belligerent response'** [or] **'You are being combative.'** *Key words to inform you that you or someone else, is about to be fleeced!* Lawyers will even attempt to provoke you or your witness's anger in the Court, just so you or they behave **belligerently** toward them and this is why they do that!

Under **Regulation 840-10 of the Military Code** and sections of the Administrative Procedures Act and the presence of that **Military [gold fringed] Flag** on display in the Courtroom, instantly creates a **state of emergency** meaning that, the moment a police officer stopped you in the exercise of your right to life, liberty and the pursuit of happiness, the police officer became a **belligerent!** He is armed and you're not! He displays a military rank and you're a civilian and he has now delivered you into a Military Court of Justice with the intent to **'pillage and plunder'** within the Admiralty jurisdiction of that Military Court, which is also known as **'The Law of Prize and Captured Property,'** as defined under Title 10, sections 7651 to 7681 of the Code of Military Justice, March 25, 1862.

As mentioned before, **The Reconstruction Act** included and changed all state officials into having **'federal foreign standing.'** The 14th amendment deliberately forced and kept them there and section 2 of the Lieber Code instructs that: **'A victorious army seizes all money and movable property and holds it in trust,'** and this is exactly what the Corporate United States Government and State Governments did and continue to do because they now perceive themselves to be, **'a victorious army.'**

The corporate Congress; the corporate Military Government and their corporate Military Courts of Justice however discovered that they could not gain access to those **Public Trusts** deposited into the Federal Reserve System, which they had created using our birth registration forms; social security registration forms, licenses, personal property, deeds, promissory notes, equity and credit, without including our individual persons into the bankruptcy of the United States Treasury of 1933. So they cleverly denied our personal Sovereignty and converted our persons into an **appellation**, which is **[a corporate fiction or strawman]** and identified us by writing

our birth names **all in capital letters**. All of our Licenses and documents now reflect this **appellation**.

NOTE: Of course they cannot lawfully do this because we are a Sovereign people and they are a Corporation and under the Confiscation Act, they have violated their own, 'Rules of Engagement and Military Protocol' but do they care? Not any more!

The all-caps name can be researched in every State Code under 'corporations:' [e.g.] see the Texas Administrative Code for example under 'corporations', Chapter 79.31, subtitled: entities; [also] the all-caps name is specified in the United States Government- Style Manual under the section titled [identifying corporations].

These **Public Trusts** are not a new concept. The concept and strategy was copied from the **Ancient Roman Empire** and their use of **Roman Trusts**. The Ancient Roman Trusts declared that everyone had died after Rome was burned [which was a staged event] and until those Roman Citizens served notice upon the Roman Senate that they were in fact **alive and capable of managing their own Estates**, all were presumed **dead** and the Roman Senate became the **Trustee over every Estate** and used them as they deemed appropriate!

NOTE: You can buy your freedom for a price of \$600,000 dollars through the Department of State, which is the cost of procuring American diplomatic immunity pursuant to International Law. In all other countries this same immunity can be purchased for \$95,000.00, which is honored in 90 of the 267 world countries with the exception of: The United States, Canada and the United Kingdom. [Isn't that curious?] My point here is that everything is a game and for enough money, anyone can play and secure their freedom from criminal law, civil lawsuits, taxes and passports because everything in this world is about commerce.

In 1933, this corporate government enticed Americans to **voluntarily register** for [**birth certificates, social security, driver's licenses, voter registration, etc.**] and enticed us with government benefits to do so. Years later they **obligated** American's to register for all of these documents except for voter registration.

These so-called government benefits were no bargain because they belonged to all of us to begin with and over time the largest benefits have been watered down! What most American's don't realize is that: ***No Corporation can operate or fund itself. Corporations require human beings; their credit and sweat equity to finance and***

operate them! Therefore, everything that the government claims to own actually belongs to **"We the Public"** and not the them! Everything they have been doing is one gigantic fraud and all of it at our expense!

As previously mentioned: These registration programs were instituted so that the Federal Reserve Banks and the Corporate Military Courts of Justice could securitize and monetize the public Trust Accounts. Each Birth Certificate and Social Security Card was eventually converted into a Trust Account and became a government security [like company stocks and bonds] and is marketed as a **Mutual Fund**. If you own a piece of a Mutual Fund Investment you are actually hedging your money against human collateral.

Every Bond or International Security is assigned a **"CUSIP"** number and if you know how to use their formula or have a close friend who is a stock broker, you or he can convert the numbers and letters found on your Social Security Card into its **CUSIP** number. Armed with those **CUSIP** numbers, anyone can look up their Mutual Funds that your life is being collectively marketed under. Your Birth Certificate number is handled the same way.

Our forced registration [**birth**] actually made us the personal property of the State. Each of us unknowingly gave our children away to the Government of the State where they were born when we registered them for a government issued Birth Certificate, which is how the State Government controls child custody! Our children are now their collective property and we are permitted to keep and raise them, providing that we behave ourselves and comply with their corporate laws and regulations!

The State obligates us to pay for our children and they generally object to pay for anything unless we become dead or destitute! It is also the Birth Certificate that provides the Police with the authority to break and enter any house under suspicion of abuse but now the Patriot Act covers all other situations. The Fee Simple Deed gave the State your home and the right to tax you into poverty as a Tenant and the Patriot Act eliminated the need for search warrants.

You are no longer the King of your castle, which was guaranteed by the Allodial Deed because you no longer own a castle! Your personal Lawyer set that one up too and received a large, one time secret kickback, from

the State Government on your first tax bill in addition to the fees you paid to him to represent your best interests! ***Devious people, aren't they?***

When our deeds were **Allodial**, no one could trespass on our property, not even the government. No one could Tax your property and no Bank could foreclose on your property but there again, no Bank would ever loan you money against your property either! We were the **Kings** and **Sovereign Rulers** of our land and homes. ***Do you now see how the government has been chipping away at your basic rights and freedoms?***
